After a chase of over a week and traveling several hundred miles, Mr. Louis Smoot finally succeeded in recovering his stolen mare at the Cincinnati Stock Yards yesterday, where the thief had sold her to an innocent purchaser.

New School Building!

Owing to the fact of the School Board's having bought the old Perkhouse our warehouse on the site for the new High School Building, we are obliged to move all our vehicles within the next 60 days; and we have figured that it would be better to sell them than to move, a storeroom in Maysville is pretty scarce just now, and besides it is very expensive to move four or five carloads of crated vehicles.

Therefore!

We are beginning today the most phenomenal sale of vehicles ever held in Maysville, and a word to the wise should be sufficient. "If you are contemplating the purchase of a rig of any kind, now is your opportunity."

THE Hon. GROVER CLEVELAND, now in his 71st year, and drawing a modest salary of \$25,000 per annum from the greatest and the most notorious combine of monied interests ever

Hon. Grover Cleveland known, the Life Insurance Trust, has the effrontery to declare that Republican Protective

Tariff is responsible for

the recent upheaval in Wall street, and the upsetting and exposures of the dishonest methods of HARRIMAN et al., in their gigantic stealings, padding figures, watering stocks and robbing the Government of millions of acres of the public domain and hundreds of millions of dollars in fraudulent railroad charges on both mail and freight. Mr. CLEVELAND further says—

"So confident am I, for one, of the success that would follow the forcing to the front by Democrats of the Tariff-Reform issue that I am disposed to predict that if we fail to do so now, our friends, the enemy, will take it out of our hands before four more years have rolled by."

Now what do you think of that?

Isn't it such a bald mis-prophesy that any up-to-date American schoolboy would be justified in declaring that the august GROVER is at

Deafness Cannot be Cured
Dear applications, as they cannot reach the dis-
portion of the ear. There is only one way to
deafness and that is by constitutional reme-
dies. Deafness is caused by an inflamed condi-
tion of the mucous lining of the Eustachian tube.
When this tube is inflamed you have a rumbling
sound or imperfection, and when it is entirely
closed, deafness is the result, and unless the
inflammation can be taken out and this tube re-
stored to its normal condition, hearing will be
destroyed forever; nine cases out of ten are caused
by Catarrh, which is nothing but an inflamed
condition of the mucous surfaces.

We will give One Hundred Dollars for any case
of deafness (caused by catarrh) that cannot be
cured by Hall's Catarrh Cure. Send for circulars

PIANOS BY THE CARLOAD!

We are now buying pianos by the carload! This fact is so astonishing that we had a photographer take a picture in the New York freight yard of one of our shipments! Pianos are no longer a LUXURY; THEY ARE NOW A NECESSITY, and if bought at Winter's within the reach of all; for who cannot spare \$1.25 a week to pay on a piano? This wonderful saving that we have accomplished by buying immense quantities at spot cash terms is astounding. We repeat, PIANOS ARE NO LONGER A LUXURY. As a luxury they were.

least talking through his hat, if he is not entirely off his base?

If GROVER CLEVELAND's free trade heresies had been carried out in America, we would today be a poverty-stricken, if not a bankrupt Nation, made so by the supremacy of European, and even Asiatic competition.

We for one regret that Mr. CLEVELAND has at his time of life, exhibited such senile indiscretion by permitting himself to give utterance to the same old, worn-out and transparent "dead, damned and discredited" doctrine of "free trade," which nine-tenths of the American people today know would bring wreck and ruin to nearly every industry in our prosperous land.

Mr. CLEVELAND is the man who hauled down the Stars and Stripes in Hawaii and advocated free trade at the cost of our country's progress. Now he breaks forth again and out-Bryan's BILLY BRYAN in another futile call to the people to hearken to the voice of the free trade Siren who would cast the good Ship of State upon the rocks of disaster and despair and undo the work of years of our wonderfully successful Protective Tariff system.

DESPERATE FIGHT

Will Be Waged by the Prohibition
People of Maysville

Maysville Correspondent Louisville Post.

Next week the local option election campaign will open and scenes will be witnessed never seen here before.

Such speakers as George W. Bain, of Lexington; Prof. Frank Williams, George W. Young, Field Secretary of the Anti-Saloon League; the Rev. Dr. Lindsay, of Flemingsburg; Mrs. Lenora Lake, of St. Louis; Prof. Curry, of Urbana, O., and all of the local Ministers will make things hum. On election day, May 7th, the school children are to be formed into line to march and sing and carry banners appropriately inscribed for the occasion.

The visiting lecturers will occupy the prominent street corners.

Mrs. Lake has a wide reputation as a temperance lecturer, and it is said of her that when she gets through with her talk to men only, that every one goes away feeling that the subject needs no further elucidation or argument.

The saloon element will put up a stiff fight, assisted by great many business men, who feel that prohibition would kill the old town and throw the country trade to nearby towns across the river. There are now twenty saloons and seven wholesale whisky houses here.

The revenue from this source amounts to \$9,000 about a year to the city and to lose this, a great many think, would cripple the old town beyond repair.

John Robinson's Shows will open the season at Cincinnati April 23d.

Miss Florence Henson died Wednesday last at her home at Tanglewood.

Superintendent Clinger's report showed an enrollment for the month of 534 pupils and an average daily attendance of 479.

The teachers and janitors salaries were allowed.

The matter of providing a substitute teacher, to be employed regularly at a salary same as other teachers, was placed in the hands of the District Committee to report at the next regular meeting.

The By-Laws, as amended, were adopted as read.

The teachers and children of the Public Schools were given permission to solicit funds for the clock to be placed on the High School Building.

Mr. Fred Bauer was allowed a rebate on tuition fees, his family having returned and taken up their residence in the city.

Robert Smith, Louetta Gilp and Frank Lyons were declared non-residents, and the Secretary was directed to charge a tuition fee for their attendance at the Public Schools.

A motion to change the Rules and Regulations in regard to paying tuition fees in advance, was read and passed to its second reading next month for adoption.

The following were chosen to take the school census—

First Ward—Clarence Martin.
Second Ward—Prof. D. S. Clinger.
Third Ward—Prof. Coryell.
Fourth Ward—W. P. King.
Fifth Ward—W. T. Berry.
Sixth Ward—George Turnipseed.
Prof. Humphreys for the Colored School.

The compensation is the same as last year, \$10 and \$20, the latter amount being paid Mr. Humphreys.

A canvass is being made to raise \$10,000 with which to erect a Y. M. C. A. Building at Harrodsburg.

The Rev. Joe Hopper is to begin a protracted meeting tomorrow at the Presbyterian Church at Carlisle.

Dr. W. O. Sweeney, one of Lexington's most prominent citizens, died Thursday. He was an uncle of Dr. J. A. Stucky, well known here.

Masses at St. Patrick's Church tomorrow, Easter Sunday, will be at 8 and 10 o'clock. Father Ignatius, C. P., will deliver the sermon at 10 o'clock.

Mrs. Thos. Sparks of Robertson county keeps about 100 hens and from March 1st, 1906, to March 1st, 1907, she sold 871½ dozen eggs, at a total of \$121.64.

UNION SERVICE SUNDAY NIGHT.

Prof. H. K. Taylor, President of Kentucky Wesleyan College of Winchester, will address a Union Meeting under the auspices of the Pastors' Union at the First Baptist Church Sunday night at 7:30 o'clock in the interest of the Local Option issue. Prof. Taylor is one of the strong speakers of the state. Come out and hear his truths, facts and figures.

At a meeting held Thursday at Louisville Harvey McCutchen was elected Secretary of the State Democratic Campaign Committee, Clifford C. Bosworth of Lexington, Assistant Secretary, and James Garnett of Trigg county to succeed Judge Joseph Robbins on the Campaign Committee.

John Greene, a Negro from Flemingsburg was tried before United States Commissioner Wood at Mt. Sterling a few days ago on the charge of selling whiskey in Fleming county without having paid the special tax, and was held to appear at the Federal Court in Covington in the sum of \$300.

Democrats of the Mt. Sterling Legislative District are in a muddle since the Redistricting Act has been declared unconstitutional. Last fall a primary election was held in Montgomery county and J. Will Clay was nominated by a handsome majority. Now the District is changed and Menifee put back, and the Democrats of that county have become dissatisfied, and say they will not endorse Clay's nomination. As a result, a new primary or convention will have to be held, and a strong effort will be made to defeat Clay.

Ohio ranks second in the refining oil production, led only by Pennsylvania.

The State Bank of Vine Grove has been organized with a paid up capital of \$15,000.

FREE FERRIAGE COUNTY COURT, STOCK SALES.

Next Monday, April the 1st, will be Mason County Court and stock sales. The Board of Trade has arranged for free ferrage for our friends from Ohio. The merchants of Maysville should get ready for a great day on next Monday, as there will be a large crowd in the city from both sides of the river.

As April is considered the opening of the spring trade, those merchants who desire to have an active business during the next 12 months, should make it known on next Monday by offering special inducements for trade. No doubt, there will be a fine exhibit of stock as that is the time the stock men wish to bring their horses before the public eye.

I also have for sale a good business proposition in the city of Maysville, involving a capital of about \$2,500. If you wish to embark in a business that is conducted upon a cash basis with a good margin of profit on all sales and well established you should not overlook this opportunity.

The owners of farms who wish to sell are now beginning to list their property for sale, agreeing to give possession this fall or next spring, as purchaser may desire. Do you wish to sell anything? If so, now is the time to let it be known, and my agency is the best medium through which to make buyers acquainted with the fact.

I have two very desirable homes on Third street, between Market and Plum streets, in my hands for sale. Also, a good Fourth street house; and, in fact, houses and lots distributed over the entire city.

It will afford me pleasure to have you call and make inquiry about anything that may interest you.

The Thaw matter will reopen with renewed interest next Monday. Thaw stood the ordeal before the Commission without flinching. It is said that the lunacy board is not concerned whether Thaw has paranoia or any other mental trouble. The board is only inquiring into the prisoner's capability of counselling intelligently with his attorneys.
